Fayez Spa – winner best spa treatment

Are you stressed? Tired? In need of a mini vacation? Spend an afternoon with the award winning team at Fayez Spa and you'll leave feeling young, refreshed and vibrant.

For 28 years, Fayez Spa has offered Londoners an extensive menu of European and North American wellness and healing therapies, cutting edge anti-aging treatments, and creative hair care.

Its team of 25 of London's best aestheticians, therapists and stylists treat every client as if they're the most important person in the spa, and consistently work to not just meet, but exceed, every customer's expectations.

A pioneer in the industry, Fayez Spa is one of the best in the country. In addition to being named London's Best Spa

Treatment, it's been awarded the Distinguished Day Spa of Canada Award by the Day Spa of Association of America, and was named one of the Top 50 Spas in Canada by the Canadian health and wellness industry.

Owner Fayez Tamba credits his spa's success to his loyal customer base and believes strongly in giving back to the London community. Fayez donates money annually to a variety of local charities and in 2011 created the annual Nursing Excellence Award, as a result of his personal experiences as a surgical patient at Victoria Hospital.
